GROW IN LIVING FOR GOD Curriculum

Hebrews 6:1-3 says: So let us stop going over the basic teachings about Christ again and again. Let us go on instead and become mature in our understanding. Surely we don't need to start again with the fundamental importance of repenting from [dead works] and placing our faith in God. You don't need further instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment. And so, God willing, we will move forward to further understanding (NLT).

Salvation is the starting point of a lifelong journey of living for God. Saved children, like all adult believers, need to grow in living for God. Part of the growth process is to be grounded in the basic teachings about Christ, and these are: repenting from [dead works], placing their faith in God, instruction about baptisms, laying on of hands, resurrection of the dead, and eternal judgment.

GROW IN LIVING FOR GOD curriculum is designed to teach children these basic teachings about Christ and encourage them towards personal application of the teachings in their lives. Through this exciting Bible-based curriculum, with the help of the Holy Spirit, children will be grounded in their salvation and God's Word, and grow in living for God.
